

## By My Side (Grey's Anatomy)

Words & Music by Danielle Bisutti (ASCAP & BMI 2006)

Produced by Dan Weniger

Lie by my side  
Be my friend  
Lie by my side  
Don't tell me this could be the end

And this is much more than I can handle  
This is much more than I can bear  
And all of my life is on the line now  
I wonder do you care  
I wonder do you care

Lie by my side  
Hold me tight  
Lie by my side  
Won't you stay with me tonight

There's too much confusion going on in my head  
I can't see what's wrong or what's right  
And there's too much confusion causing pain in my heart  
When you're holding me so tight  
You're holding me so tight

Lie by my side  
Be my light  
Lie by my side  
I never thought you'd give up this fight

I will do my best to be the strong one for you  
Even if I'm broken up inside  
Yes you're gonna see what my love can do  
Promise you won't leave me tonight
