You never know which way you'll go  
IN THE PRESENCE OF  
You never know what you'll learn  
At every turn  
These day's we often hide away  
In some unfamiliar place or time  
Oh what will you find?

In the presence of love  
In the presence of time  
The presence of all you can't leave behind  
In the presence of money  
In the presence of greed  
The insatiable hungry that you just can't feed  
In the presence of violence  
In the presence of peace  
The light of the world that will never cease  
In the presence of wisdom  
In the presence of fools  
The breaking of laws and the keeping of rules  
In the presence of lust  
In the presence of heat  
The fragmented moments where your destiny meets  
We give the meaning  
We find the why  
In the presence of all that becomes your life  
In the presence of all that becomes your life

You never know which way you'll go  
IN THE PRESENCE OF  
You never know what you'll learn  
At every turn  
These day's we often hide away  
In some unfamiliar place or time  
Oh what will you find?
