

# You

I'd like to think I'm changing  
But it's looking all the same  
This body is over anxious  
This mind is under-shamed

Every time I reach up for the calm  
It keeps slipping away  
And words like  
"I never meant to hurt you"  
Don't mean anything to anyone

I never meant to hurt YOU  
I never meant to hurt YOU

I'm staring at the scenery  
Making shapes between the lights  
Green was the color your heart gave me  
The broken promise has faded it to white

I try to understand myself in all of this  
Roll it off my back  
Like it doesn't mean that much to me  
I'm tired of yearning for the things I lack  
I'm tired of hurting the ones who love me  
Unconditionally

Like YOU,  
I never meant to hurt you  
Especially YOU

Every time I reach up for the calm  
It keeps slipping away  
And words like  
"I never meant to hurt you"  
Don't mean anything to anyone

I'd like to think I'm changing  
But it's looking all the same...
